

# Deputy Sheriff's Association of Bexar County

## New Born Program

In an effort to join in the celebration of the birth of a new family member, the Deputy Sheriff's Association of Bexar County extends a helping hand to members with a onetime \$100.00 donation per child.

In order to benefit from this program a person must be a DSABC member in good standing for the last 18 consecutive months preceding the birth of their child. All requests must be made within 30 days of the birth of their child to be honored by this program. Please submit a letter with your information and a copy of your child's birth certificate.

Please note that in the event that both parents are members of the DSABC only one parent will receive the benefit.

This program was enacted on April 20th, 1999 and revised on December 19th, 2008.
